Dear Ms. Zinchenko Inna,

We would like to inform you that your work visa application for the United Arab Emirates is currently under review.

Following communication with the Visa Application Centre, we have been notified that the previously selected service package does not include the accelerated processing and guaranteed biometric appointment as initially expected.

To proceed with the expedited application and ensure guaranteed biometric processing, an additional payment of 183.50 EUR is required. Once the payment is completed, your application will be transferred to the priority processing category and the biometric appointment will be confirmed without delay.

Please confirm whether you would like us to proceed with the additional payment in order to maintain the expedited processing.

Kind regards,  
Visa Application Centre
